(s) under the coupon (s):

- in News feed – not later than 1 (One) day;
- on the web page – not later than 2 (Two) days.

Thus the publication on the Internet is performed after the publication in News feed.

The Issuer informs the Stock exchange on the accepted decisions, including on set rates, or the order of determination of rates not later than 1 (One) day prior to start date of placing of Commercial papers.

In case to start date of placing of Commercial papers the Issuer does not make the decision on the rate or the order of determination of the size of the rate of the second coupon, the Issuer will be obliged to make the decision on the rate of the second coupon not later than 5 (Five) calendar days prior to the end date of the 1st coupon.

In this case the Issuer is obliged to provide the right of owners of Commercial papers within last 5 (Five) calendar days of the 1st coupon period to demand acquisition of Commercial papers from the Issuer at the price, equal to 100 (Hundred) percent from an outstanding amount of the face-value without the acquisition of the coupon yield saved up for date which is paid to the seller of Commercial papers over the specified price of acquisition.

If the size of rates of coupons or the order of determination of rates of coupons is determined by the authorised executive body of the Issuer after complete payment of Commercial papers, disclosing by Moscow Interbank Stock Exchange the information on results of the issue of Commercial papers and the notification of it of the federal enforcement authority in the security market in the order established by it simultaneously on the several coupon periods, the Issuer is obliged to acquire Commercial papers under the requirements of their owners declared within last 5 (Five) calendar days of the coupon period, previous the coupon period on which the Issuer determines the specified rates of coupons or the order of determination of rates of coupons simultaneously with other coupon periods and which comes earlier. Acquisition of Commercial papers before other coupon periods on which such size or the order of determination of the size of the coupon under Commercial papers are determined, in this case is not required.

b) The Interest rate or order of determination of the interest rate under coupons, the size (the determination order) of which has not been established by the Issuer to start date of placing of Commercial papers ( $i=(n+1), \dots, 20$ ), is determined by the sole executive body of the Issuer after complete payment of Commercial papers, disclosing by MICEX of the information on results of the issue of Commercial papers and the notification of it of the federal enforcement authority in the security market in the order established by it on the Date of establishment of  $i$ -th coupon which comes not later than 5 (Five) calendar days prior to the end date of  $(i-1)$  th coupon. The Issuer has the right to specify on the Date of establishment of  $i$ -th coupon the rate or the order of determination of the rate of any quantity following for  $i$ -th coupon of uncertain coupons (thus  $k$  - number of last of determined coupons).

- on the web page – not later than 2 (Two) days.

Thus the publication on the Internet is performed after the publication in News feed.

The Issuer informs the Stock exchange on the accepted decisions, including on set rates, or the order of determination of rates not later than 1 (One) day prior to start date of placing of the Bonds.

In case to start date of placing of the Bonds the Issuer does not make the decision on the rate or the order of determination of the size of the rate of the second coupon, the Issuer will be obliged to make the decision on the rate of the second coupon not later than 5 (Five) working days prior to the end date of the 1st coupon.

In this case the Issuer is obliged to provide the right of owners of the Bonds within last 5 (Five) working days of the 1st coupon period to demand acquisition of the Bonds from the Issuer at the price, equal to 100 (Hundred) percent from an outstanding amount of the face-value without the acquisition of the coupon yield saved up for date which is paid to the seller of the Bonds over the specified price of acquisition.

If the size of rates of coupons or the order of determination of rates of coupons is determined by the authorised executive body of the Issuer after complete payment of the Bonds, disclosing by Moscow Interbank Stock Exchange the information on results of the issue of the Bonds and the notification of the Bank of Russia of it in the order established by it simultaneously on the several coupon periods, the Issuer is obliged to acquire the Bonds under the requirements of their owners declared within last 5 (Five) working days of the coupon period, previous the coupon period on which the Issuer determines the specified rates of coupons or the order of determination of rates of coupons simultaneously with other coupon periods and which comes earlier. Acquisition of the Bonds before other coupon periods on which such size or the order of determination of the size of the coupon under the Bonds are determined, in this case is not required.

b) The Interest rate or order of determination of the interest rate under coupons, the size (the determination order) of which has not been established by the Issuer to start date of placing of the Bonds ( $i=(n+1), \dots, 20$ ), is determined by the sole executive body of the Issuer after complete payment of the Bonds, disclosing by MICEX of the information on results of the issue of the Bonds and the notification of the Bank of Russia of it in the order established by it on the Date of establishment of  $i$ -th coupon which comes not later than 5 (Five) working days prior to the end date of  $(i-1)$  th coupon. The Issuer has the right to specify on the Date of establishment of  $i$ -th coupon the rate or the order of determination of the rate of any quantity following for  $i$ -th coupon of uncertain coupons (thus  $k$  - number of last of determined coupons).

c) In case after the announcement of rates or the order of determination of rates of coupons (according to the previous subparagraphs), the Bond has unset rates or the order of determination of rates of at least one of the subsequent coupons, the Issuer is obliged to provide the right of owners of the Bonds within last 5 (Five) working

c) In case after the announcement of rates or the order of determination of rates of coupons (according to the previous subparagraphs), the Commercial paper still has unset rates or the order of determination of rates at least one of the subsequent coupons then simultaneously with the message of rates or the order of determination of rates of  $i$ -th and other determined coupons under Commercial papers by the Issuer is obliged to provide the right of owners of Commercial papers within last 5 (Five) calendar days of the  $k$ -th coupon period (in case if the Issuer determines the rate only one  $i$ -th coupon,  $i=k$ ) to demand acquisition of Commercial papers from the Issuer at the price, equal to 100 (Hundred) percent from an outstanding amount of the face-value without the acquisition of the coupon yield saved up for date which is paid to the seller of Commercial papers over the specified price of acquisition.

d) The Information about specified by the Issuer after complete payment of Commercial papers, disclosing by Moscow Interbank Stock Exchange the information on results of the issue of Commercial papers and the notification of it of the federal enforcement authority in the security market in the order established by it rates or the order of determination of rates under coupons of Commercial papers, starting from the second, and also the index number of the coupon period ( $n$ ) in which owners of Commercial papers can demand acquisition of Commercial papers by the Issuer, is given to potential acquirers by disclosing in the form of the statement of material fact «about accrued and (or) paid income under securities issue of the issuer» not later than 5 (Five) calendar days prior to start date of the  $i$ -th coupon period under Commercial papers and in the following terms from the date of an establishment of  $i$ -th coupon:

- in News feed – not later than 1 (One) day;
- on the web page – not later than 2 (Two) days.

Thus the publication on the web page is performed after the publication in News feed.

The text of the statement of material fact should be accessible on the web page for at least 12 months from the end date, established by the Provision on the information disclosure by securities issuers, approved by Order of FFMS of Russia of October 4, 2011 № 11-46/pz-n (hereinafter - Provision on the information disclosure) for its publication on the Internet and if the message is published on the Internet after the expiration of such term, – from the date of its publication on the Internet.

The Issuer informs the Stock exchange on the accepted decisions, including on set rates, or the order of determination of rates not later than 5 (Five) days prior to the end date of  $n$  th coupon period (the period in which the interest rate on  $(n+1)$  and to the subsequent coupons is determined).

days of the  $k$ -th coupon period (in case if the Issuer determines the rate only of one  $i$ -th coupon,  $i=k$ ) to demand acquisition of the Bonds from the Issuer at the price, equal to 100 (Hundred) percent from an outstanding amount of the face-value without the acquisition of the coupon yield saved up for date which is paid to the seller of the Bonds over the specified price of acquisition.

The outstanding part of the nominal value of the Bond is defined as the difference between the nominal value of one of the Bonds and its part repaid by partial early redemption of the Bonds (if the decision on partial early repayment is made by the Issuer in accordance with par. 9.5 of the Decision on the securities issue and par. 9.1.2 of the Prospectus of securities).

Not later than 7 (Seven) working days before the start of the period, during which owner may demand the purchase of the Bonds held by them from the Issuer, the Issuer must notify the representative of bondholders in the event of his election or appointment, and also disclose this acquisition in the manner and time specified in the regulatory acts of the Russian Federation, if this Decision on the securities issue provide for another procedure and timing of such disclosure or notice of such acquisition to all owners of the acquired Bonds.

The representative of the owners of the Bonds is a person that meets the requirements of Federal Law 22.04.1996 № 39-FZ "On the Securities Market", appointed by the Issuer and/or elected by the general meeting of owners of the Bonds, representing the interests of holders of the Bonds to the Issuer, other persons, as well as in the government of the Russian Federation (including the courts), the bodies of state power of subjects of the Russian Federation, local self-government.

d) The Information about specified by the Issuer after complete payment of the Bonds, disclosing by MICEX of the information on results of the issue of the Bonds and the notification of the Bank of Russia of it in the order established by it rates or the order of determination of rates under coupons of the Bonds, starting from the second, and also the index number of the coupon period ( $n$ ) in which owners of the Bonds can demand acquisition of the Bonds by the Issuer, is given to potential acquirers by disclosing in the form of the statement of material fact «about accrued and (or) paid income under securities issue of the issuer» not later than 5 (Five) working days prior to start date of the  $i$ -th coupon period under the Bonds and in the following terms from the Date of establishment of the  $i$ -th coupon:

<sup>1</sup> Article 312 of the Tax code of the Russian Federation provides representation to the tax agent of the confirmation assured by a competent body of the foreign state. The order of registration of the official documents proceeding from competent bodies of the foreign states, is contained in the Hague convention from 05.10.1961, the Constitution of the Russian Federation which is an integral part of the legal system of the Russian Federation.

According to item 1 of the Convention the Convention extends its power on official documents which have been made in territory of one of the agreeing states and should be presented in territory of another agreeing state.

Pursuant to item 3 of the Convention the unique formality which observance can be required for the authentication of the signature, qualities in which the person who has signed the document acted, and in an appropriate case of authenticity of the press or a stamp by which this document is fastened, is putting down provided by item 4 of the Convention of an apostille competent body of the state in which this document has been made.

As the Convention extends its power on official documents, including proceeding from body or the official submitting to jurisdiction of the state, including the documents which are starting with Office of Public Prosecutor, the court secretary or the judicial contractor, such documents should conform to Convention requirements, that is contain an apostille. Thus, for application of the preferential tax treatment the foreign person should present the confirmation given out by competent body of the state and containing an apostille.

corresponding rates of the taxation.  
The Claim goes as the certified mail with delivery confirmation and with record statement to the postal address of the Issuer or is handed over on receipt to the authorised person of the Issuer.  
The Claim is considered by the Issuer within 5 (Five) days.

9.7.3. In case of a technical default in the payment of the next interest rate (coupon) the Issuer within 7 (Seven) days from the date on which the obligation was to be performed, paid the amount due of the coupon yield, but did not pay interest for late payment of income thereon in accordance with art. 395 of the Civil Code of the Russian Federation, then owners of Commercial papers or the persons authorised by them have the right to bring a claim against the Issuer for payment of such interest. In this case the Issuer within 3 (Three) working days from the date of acceptance of the Claim shall transfer the amounts due to the owners of Commercial papers.

In case of a technical default in the payment of the principal debt the Issuer within 30 (Thirty) days from the date on which the obligation was to be performed, paid the principal amount due but not paid interest for late payment of the principal debt in accordance with art. 395 of the Civil Code of the Russian Federation, then owners of Commercial papers or the persons authorised by them have the right to bring a claim against the Issuer for payment of such interest. In this case the Issuer within 3 (Three) working days from the date of acceptance of the Claim shall transfer the interest for late payment of the principal amount to the owners of Commercial papers.

9.7.4. In case of submission of the Claim, containing the requirement to pay the amount specified below in this subparagraph, with the advent of default in the payment of the next interest rate (coupon) under Commercial papers or the occurrence of default in the payment of the outstanding part of the nominal value of Commercial papers. The Claim must include the following additional information:

- bank account details of the person authorized to receive payments under Commercial papers, specified by the rules of NRD for transfers of securities on the counter orders to control settlements on monetary funds;
- details of the securities account opened in NRD to an owner of Commercial papers or his authorized person, necessary for the transfer of Commercial papers on the counter orders to control settlements on monetary funds, according to the rules established by NRD.

In the case of payments to owners of Commercial papers, who demanded payment of the amounts specified below in this subparagraph, with the advent of default in the payment of the next interest rate (coupon) under Commercial papers or the occurrence of default in the payment of the outstanding part of the nominal value of Commercial papers, payment of the following amounts by the Issuer with the settlement according to the rules

Pursuant to item 3 of the Convention the unique formality which observance can be required for the authentication of the signature, qualities in which the person who has signed the document acted, and in an appropriate case of authenticity of the press or a stamp by which this document is fastened, is putting down provided by item 4 of the Convention of an apostille competent body of the state in which this document has been made.

Since the Convention shall apply to public documents, including from the authority or officer subject to the jurisdiction of the State, including those outgoing from the prosecution, the court clerk or bailiff, such documents must meet the requirements of the Convention, i.e. contain an apostille.

Thus, for application of the preferential tax treatment the foreign person should present the confirmation given out by competent body of the state and containing an apostille.

b) in case the permanent representation of the legal person-non-resident will be the payee of the income under the Bonds:

- a notarized copy of the certificate on registration of the specified representation on accounting in tax authorities of the Russian Federation, arranged not earlier than in the previous tax period (if the paid income concerns permanent representation of the payee of the income in the Russian Federation);

c) in case the owner of the Bonds is a non-resident individual:

- an official confirmation that the individual is a resident of the State with which the Russian Federation has for the relevant tax period (or part thereof) (agreement) for the avoidance of double taxation;

- an official confirmation that the foreign individual has been in the territory of the Russian Federation for more than 183 days (a notarized copy of the certificate of the individual's registration with the tax authorities of the Russian Federation) and is a tax resident of the Russian Federation for the purposes of income taxation.

d) to Russian citizens – to owners of the Bonds, living outside of territory of the Russian Federation, or to a person authorised by the owner to make action, directed on advanced repayment of the Bonds, previously having enquired from such Russian citizen, it is necessary to give to the Issuer the statement in any form about acknowledgement by the Russian citizen of the status of the tax nonresident according to article 207 of the Tax code of the Russian Federation for the corresponding date of payments.

In case of non provision or untimely granting of the specified documents the Issuer does not bear responsibility to owners for non-use of corresponding rates of the taxation.

The Claim is sent by registered mail with return receipt and list of contents at the postal address of the Issuer or delivered against receipt to the authorized person of the Issuer. The Claim is considered by the Issuer within 5 (Five) days (hereinafter - the Claim review term).

If the Claim contains a requirement for payment of interest for delayed performance or non-performance of related obligations under the Bonds in accordance with

of NRD for transfer of securities on the counter orders of the sender and receiver to control settlements on monetary funds:

- the outstanding amount of the face value, the date of the proper fulfillment of obligations for the payment of which, in accordance with the terms of the Decision on issue of securities has not occurred;
- coupon income under Commercial papers for an unfinished coupon period from the date of commencement of such coupon period to the date of actual payment by the Issuer of the outstanding part of the nominal value of Commercial papers, calculated in accordance with the Decision on the issue of securities.

For carrying out the transfer of securities the Issuer not later than 10 (Ten) working days from the date of expiry of the period of review of the Claim shall notify in writing of the decision taken the owner of Commercial papers or a person authorized by the owner of Commercial papers to perform any actions aimed to receive payments under Commercial papers, who has sent the Claim, and indicates in the notice of satisfaction (acceptance) of the Claim the details, necessary to fill depot orders in the form set by NRD for transfer of Commercial papers with the control of settlement on monetary funds.

After sending such notifications, the Issuer shall submit to NRD a counter depot order to transfer Commercial papers (in the form set by NRD for transfer of Commercial papers with the control of settlement on monetary funds) with a securities account, opened in NRD for the owner of Commercial papers or his authorized person, on his issuer account, in accordance with the details provided in the Claim, and the Issuer or its authorized representative shall also submit to NRD the instruction to transfer funds from his bank account to the bank account of the owner of Commercial papers or the person authorised by the owner of Commercial papers to receive payments under Commercial papers, details of which are specified in the relevant Claim.

Upon notice of satisfaction (acceptance) of the Claim the owner of Commercial papers or his authorized representative shall submit to NRD an order in the form set by NRD for transfer of securities with the control of settlement on monetary funds to transfer Commercial papers from his depot account in NRD to the Issuer's account in accordance with the details provided in the notice of satisfaction (acceptance) of the Claim.

In the depot orders to transfer securities to control settlement on monetary funds and the payment order for the transfer of monetary funds by the parties must indicate the same date of the performance of their obligations (hereinafter - the «Date of execution»).

The Execution date should not fall on the public holiday or a day off - no matter whether it is a public holiday or a day off for settlement operations in the Russian Federation.

9.7.5. In other cases of default (technical default)

Article 395 of the Civil Code of the Russian Federation, the Issuer within 3 (Three) working days from the expiry date of the Claim review term transfers the amounts due to the holders of the Bonds, who have made the Claim.

In case of default or technical default of the Issuer to perform the obligations to pay the face value (the corresponding part of the nominal value) of the Bonds, the payment of the coupon yield for the full coupon period under the Bonds and for the acquisition of the Bonds (except for the payment of interest for late performance of the obligations under the Bonds in accordance with Articles 395 and 811 of the Civil Code of the Russian Federation), is made in the manner provided for the payment of sums of redemption of the nominal value (part of the nominal value) of the Bonds, the interest (coupon) on them, for the acquisition of the Bonds in p.9.2, p. 9.4. and p.10 of the Decision on the securities issue, respectively.

In that case, if at least one Claim (application) on the early redemption of the Bonds is satisfied, filed in the manner specified in p. 9.5.1 of the Decision on the securities issue, whereby the nominal value is paid (outstanding part of par value) of the Bond and the amount of the coupon yield for a complete coupon period, the payment of the amounts due to other holders entitled to receive payment in accordance with p. 9.7 of the Decision on the securities issue, cannot be made in the manner provided by sections 9.2 and 9.4 of this Decision on the securities issue. In such case the Issuer shall request the NRD to provide a list of persons who are the owners of the Bonds on the relevant dates (hereinafter - the List). For implementation of specified in this paragraph payments to the owners, o who are on the List, and who have not made the Claim, the Issuer shall ensure the transfer of appropriate amounts.

Order to petition the court of law or arbitration court.  
If the authorized person of the Issuer refused to get on receipt the Claim or a registered letter with the Claim or the Claim sent to the postal address of the Issuer is not presented due to the absence of the Issuer at the specified address, or the refusal of the Issuer to satisfy the Claim, holders of the Bonds, their authorized persons may apply to a court or arbitral tribunal with a claim against the Issuer to recover the relevant amounts. If the Issuer has not transferred or transferred not full amounts due to owners of the Bonds to pay the par value of the Bonds, the coupon yield on them, on the acquisition of the Bonds, and the interest for the delayed fulfillment of the relevant obligations under the Bonds in accordance with Article 395 of the Civil Code of the Russian Federation, the owners of the Bonds or their authorized persons may apply to a court or arbitral tribunal with a claim against the Issuer for the recovery of the relevant amounts.

<i>If at the time of certain actions associated with redemption and/or early repayment, and/or payment of yield, including the determination of the interest rate on the coupons, and/or default, and/or technical default under the Bonds, the legislation of the Russian Federation and/or regulatory acts in the field of financial market will establish conditions and/or an order, and/or rules (requirements), and/or terms other than those contained in the Decision on the securities issue and the Prospectus of securities, then redemption and/or early repayment, and/or payment of yield, including the determination of the interest rate on the coupons of the Bonds, the legal relations arising in default and/or technical default under the Bonds, will be implemented to meet the requirements of the legislation of the Russian Federation (or regulations in the financial markets, existing at the time of the relevant actions.</i>	
To amend the following paragraphs regarding the information «The order of determination of the interest rate under coupons, starting from the second» of section 9 «Conditions of repayment and payment of income under bonds»	
<b>Text of the old edition:</b>	<b>Text of the new edition:</b>
<i>a) To start date of placing of Commercial papers the sole executive body of the Issuer can make the decision on rates or the order of determination of the size of rates of coupons on the coupon periods, starting from the second on the n-th coupon period (n=2,3...20).</i>	<i>a) To start date of placing of the Bonds the sole executive body of the Issuer can make the decision on rates or the order of determination of the size of rates of coupons on the coupon periods, starting from the second on the n-th coupon period (n=2,3...20).</i>

*In case if the Issuer does not accept such decisions concerning any coupon period (i-th coupon period), the Issuer will be obliged to acquire Commercial papers on request of their owners, declared during last 5 (Five) calendar days of the coupon period directly previous i-th coupon period on which the size of the coupon or an order of its determination is established by the Issuer of Commercial papers after complete payment of Commercial papers, disclosing by Moscow Interbank Stock Exchange the information on results of the issue of Commercial papers and the notification of it of the federal enforcement authority in the security market in the order established by it.*

*The specified information, including indexing numbers of coupons the rate or the order of determination of the rate on which is established by the Issuer to start date of placing of Commercial papers, and also the index number of the coupon period (n) in which owners of Commercial papers can demand acquisition of Commercial papers by the Issuer, is disclosed by the Issuer in the form of the statement of material fact «about accrued and (or) paid income under securities issue of the issuer» not later than 1 (One) day prior to start date of placing of Commercial papers and in the following terms from acceptance date of the decision on the rate (s) or the order of determination of interest rate (s) under the coupon (s):*

- in News feed – not later than 1 (One) day;*
- on the web page – not later than 2 (Two) days.*

*Thus the publication on the Internet is performed after the publication in News feed.*

*The Issuer informs the Stock exchange on the accepted decisions, including on set rates, or the order of determination of rates not later than 1 (One) day prior to start date of placing of Commercial papers.*

*In case to start date of placing of Commercial papers the Issuer does not make the decision on the rate or the order of determination of the size of the rate of the second coupon, the Issuer will be obliged to make the decision on the rate of the second coupon not later than 5 (Five) calendar days prior to the end date of the 1st coupon.*

*In this case the Issuer is obliged to provide the right of owners of Commercial papers within last 5 (Five) calendar days of the 1st coupon period to demand acquisition of Commercial papers from the Issuer at the price, equal to 100 (Hundred) percent from an outstanding amount of the face-value without the acquisition of the coupon yield saved up for date which is paid to the seller of*

*In case if the Issuer does not accept such decisions concerning any coupon period (i-th coupon period), the Issuer will be obliged to acquire the Bonds on request of their owners, declared during last 5 (Five) working days of the coupon period directly previous the i-th coupon period on which the size of the coupon or an order of its determination is established by the Issuer of the Bonds after complete payment of the Bonds, disclosing by MICEX of the information on results of the issue of the Bonds and the notification of the Bank of Russia of it in the order established by it.*

*The specified information, including indexing numbers of coupons, the rate or the order of determination of the rate on which is established by the Issuer to start date of placing of the Bonds, and also the index number of the coupon period (n) in which owners of the Bonds can demand acquisition of the Bonds by the Issuer, is disclosed by the Issuer in the form of the statement of material fact «about accrued and (or) paid income under securities issue of the issuer» not later than 1 (One) day prior to start date of placing of the Bonds and in the following terms from acceptance date of the decision on the rate (s) or the order of determination of interest rate (s) under the coupon (s):*

- in News feed – not later than 1 (One) day;*
- on the Internet – not later than 2 (Two) days.*

*Thus the publication on the Internet is performed after the publication in News feed.*

*The Issuer informs the Stock exchange on the accepted decisions, including on set rates, or the order of determination of rates not later than 1 (One) day prior to start date of placing of the Bonds.*

*In case to start date of placing of the Bonds the Issuer does not make the decision on the rate or the order of determination of the size of the rate of the second coupon, the Issuer will be obliged to make the decision on the rate of the second coupon not later than 5 (Five) working days prior to the end date of the 1st coupon.*

*In this case the Issuer is obliged to provide the right of owners of the Bonds within last 5 (Five) working days of the 1st coupon period to demand acquisition of the Bonds from the Issuer at the price, equal to 100 (Hundred) percent from an outstanding amount of the face-value without the acquisition of the coupon yield saved up for date which is paid to the seller of the Bonds*

*Commercial papers over the specified price of acquisition.*

*If the size of rates of coupons or the order of determination of rates of coupons is determined by the authorised executive body of the Issuer after complete payment of Commercial papers, disclosing by Moscow Interbank Stock Exchange the information on results of the issue of Commercial papers and the notification of it of the federal enforcement authority in the security market in the order established by it simultaneously on the several coupon periods, the Issuer is obliged to acquire Commercial papers under the requirements of their owners declared within last 5 (Five) calendar days of the coupon period, previous the coupon period on which the Issuer determines the specified rates of coupons or the order of determination of rates of coupons simultaneously with other coupon periods and which comes earlier. Acquisition of Commercial papers before other coupon periods on which such size or the order of determination of the size of the coupon under Commercial papers are determined, in this case is not required.*

*b) The Interest rate or order of determination of the interest rate under coupons, the size (the determination order) of which has not been established by the Issuer to start date of placing of Commercial papers ( $i=(n+1), \dots, 20$ ), is determined by the sole executive body of the Issuer after complete payment of Commercial papers, disclosing by MICEX of the information on results of the issue of Commercial papers and the notification of it of the federal enforcement authority in the security market in the order established by it on the Date of establishment of  $i$ -th coupon which comes not later than 5 (Five) calendar days prior to the end date of  $(i-1)$  th coupon. The Issuer has the right to specify on the Date of establishment of the  $i$ -th coupon the rate or the order of determination of the rate of any quantity following the  $i$ -th coupon of uncertain coupons (thus  $k$  - number of last of determined coupons).*

*c) In case after the announcement of rates or the order of determination of rates of coupons (according to the previous subparagraphs), the Commercial paper still has unset rates or the order of determination of rates at least one of the subsequent coupons then simultaneously with the message of rates or the order of determination of rates of  $i$ -th and other determined coupons under Commercial papers by the Issuer is obliged to provide the right of owners of Commercial papers within last 5 (Five) calendar days of the  $k$ -th*
